

North Nibley Preschool Uniform Order Form

Your child wearing preschool uniform to preschool is entirely up to you. Some do and some do not. The option is there if you wish to. We sell polo shirts and round neck sweatshirts. We do not make any profit on these items at all, but we know that often children really enjoy wearing their uniform and are very proud of it! If you choose to order, payment will be added to your next session fee invoice. Sweatshirts are currently £11 and polo shirts £8.50. You can order from us at any time, we keep a small stock at preschool, and we can order from the supplier when needed. We collect the items, and you collect from preschool.

Clothing comes in the following sizes, aged 2 years, 3/4years and 5/6 years. We will nearly always have a sample for you to try.
